Municipality of Chatham-Kent
315 King Street West
P.O. Box 640
Chatham, Ontario
N7M 5K8

Attention: Jason Cikatricis, C.E.T.,
Engineering Technologist

***L.O. Stonehouse Memorial Walkbridge Rehabilitation
Municipality of Chatham Kent (Municipality)
Contract No. T23-217***

We have reviewed the three tenders received for the above noted project.

The bid results are as follows:

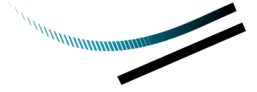

Contractor	Contract Price <i>(Includes HST and Contingency)</i>
Dayson Industrial Services Inc.	\$2,304,500.35
Landform Civil Infrastructures Inc.	\$2,758,657.70
Facca Incorporated	\$2,985,460.00

Dayson Industrial Services Inc.'s (Dayson) Contract Price, including contingency and applicable taxes, is approximately 33 percent over the engineer's estimate. After review of the pre-tender prices submitted, it is anticipated that the cost difference from the pre-tender estimate may be attributed to the following factors:

- Relatively short construction schedule;
- Contractor availability due to backlog in work; and,
- Uncharacteristically high pricing for structural steel.

Reference checks were completed for Dayson because they have not worked with the Municipality in the past. Based on the references provided, Dayson has the required equipment and labour expertise to undertake this project. We recommend that the Municipality of Chatham-Kent consider awarding the above noted project to Dayson Industrial Services Inc.
