Re: Natural Heritage Strategy

“Whereas the municipality implemented a temporary clear-cutting by-law on April 26, 2021 with no end date;

And whereas the Natural Heritage Strategy worked from July 3, 2014 until April 26, 2021;

Be it resolved that Council repeal by-law #72-2021 “The Temporary Clear Cutting By-law” and reinstate “The Natural Heritage Strategy.”
