

Municipality Of Chatham-Kent

Community Development

Planning Services

To: Mayor and Members of Council

From: Ryan Jacques, MCIP, RPP
Director, Planning Services

Date: December 30, 2021

Subject: Chatham-Kent Community Improvement Plan
Property Tax Increment Equivalent Grant Application
PL202100307 – Saini Energy Inc.
1119 Dufferin Avenue, Community of Wallaceburg

Recommendation

It is recommended that:

1. The Mayor and Clerk be authorized to execute the Chatham-Kent Community Improvement Plan, Property Tax Increment Equivalent Grant Agreement, with Saini Energy Inc., owner of 1119 Dufferin Avenue, Community of Wallaceburg, to provide an annual grant equivalent to 100% of the increase in municipal property taxes resulting from an addition to the existing building for a Commercial Use, for five (5) years.

Background

On March 2, 2020, Council approved the Chatham-Kent Community Improvement Plan (CIP), which covers the entire Municipality of Chatham-Kent. The CKCIP is a “Plan to Support the Chatham-Kent Growth Strategy and 2018-2022 Council Term Priorities” in order to allow market driven investment for targeted needs throughout all of Chatham-Kent (i.e. rental/affordable housing, commercial and employment business growth). The CIP replaced the Downtown and Main Street Areas, Commercial, and Employment CIPs. The CIP brought forward or enhanced the most impactful and popular programs from the former CIPs and introduced new incentives focused on encouraging much needed rental housing and affordable housing in the Municipality.

The Property Tax Increment Equivalent Program provides economic incentive for the development, redevelopment, adaptive reuse or rehabilitation of properties in the CIP areas. Specifically, it provides an incentive to reduce the tax increase that can result when a property is developed, redeveloped or rehabilitated. This may provide

assistance in securing project financing and is anticipated to increase the assessment base in the Municipality.

This program is applicable to commercial uses, employment uses, mixed use commercial/residential buildings, major rental housing developments and affordable housing developments in:

- Primary Urban Centres identified in the Official Plan
- Secondary Urban Centres identified in the Official Plan
- Hamlets identified in the Official Plan
- Other Business Parks or Rural Industrial areas identified in the Official Plan

The incentives in place until March 31, 2022 include:

- Commercial
 - Min \$250,000 eligible cost – 5 years at 100%
- Mixed use residential/commercial
 - Min \$250,000 eligible costs – 5 years 100%
- Employment
 - Min \$250,000 eligible costs – 5 years 100%
 - Major \$5,000,000 eligible costs – 10 years 100%
- Rental Housing
 - Major Rental Housing Developments (50 units or greater) – 10 years 100%
 - Affordable Housing Developments (5 units or more and 25% affordable units) – 10 years 100%

Comments

The subject property is located on the south side of Dufferin Avenue, west of Agnes Street, in the Community of Wallaceburg (Roll No. 3650 442 004 17800). The lands are approximately 2,000 sq. m (21,525 sq. ft.) in area and contain a Shell gas bar and convenience store. The proposed development is for a commercial use as defined in the CIP.

Saini Energy Inc. has applied for a Property Tax Increment Equivalent Grant for the development of a 111 sq. m (1,200 sq. ft.) addition to the westerly face of the existing convenience store, as shown on the site plan attached as Appendix A. Administration approved a Site Plan Control application on November 26, 2021. The proposed development has a declared construction value of \$750,000.

This project is eligible under the CIP for a grant equal to the amount of new municipal property taxes levied because of new assessment growth related to the development. The owner is required to enter into an agreement with the municipality, which details the benefits and obligations of participating in this program.

Grant amounts are determined following completion of the project, reassessment by the Municipal Property Assessment Corporation (MPAC), and conclusion of appeals to the Assessment Review Board (ARB), if any.

The owner, subject to the Municipality's own discretion and satisfaction of conditions imposed, may assign grant payments to a subsequent owner, or retain the remaining grant payments after there has been a change in ownership, if applicable.

Areas of Strategic Focus and Critical Success Factors

The recommendation in this report supports the following areas of strategic focus:

☐ Economic Prosperity:

Chatham-Kent is an innovative and thriving community with a diversified economy

☐ A Healthy and Safe Community:

Chatham-Kent is a healthy and safe community with sustainable population growth

☐ People and Culture:
