

ALUS Chatham-Kent

A program initiated by the LTVCA

ALUS – Alternative Land Use Service

compensates landowners for the use of their land and provides these benefits to society●●●

▶ TREES

Plantations, windbreaks, shelter belts

▶ Wetlands

Nutrient and sediment retention, pairing ponds, drainage improvements, water quality improvements

▶ Native Tall Grass

Drainage buffers, grass waterways, pollinator habitats, erosion control

ALUS Program

- ▶ Accepting and planning projects for next year
- ▶ ALL Stewardship project types eligible
- ▶ Provides annual payments for each acre enrolled in the program
- ▶ Funds are for maintenance of the project
- ▶ May provide implementation funds in some cases.
- ▶ Must fill out a one page expression of interest for committee review

General Seedling Program

- ▶ General Public can purchase trees
- ▶ Around \$1-2 per tree seedling
- ▶ Order Form available at www.ltvca.ca

- ▶ Only Native Species

TREES

Jack Plantation
2012

Wetland Restoration

»» Funding Partners include:

MECP, ECCC, Wildlife Habitat Canada, LTVCA, project landowners, ECWP, ESC, and ALUS, Engie, Waste Connections

Wetlands

Acquire funds through various programs for landowners to excavate wetlands in marginal areas mostly offline or natural water courses

We work with drain supers and other associated partners

Wetland progress after year 5
